Because who love to spend their vacations with a group would like to hire a tempo traveller from mysore to coorg, mysore to ooty, mysore to chikkamagalur.TEMPO TRAVELLER PRICE PER KM IN MYSOREWe Indians have found uniqueness when it comes to travelling, we have divided it into family tours and group tours and make necessary preparations for the same beforehand. Especially, if we take group tours we will manage the budget in the cheapest way. The expenditure will be more if 3 or 4 members travel. But when travelling in group the travel expense will be less since the expenditure will be calculated on per seat basis. You can compare this yourself. If you travel in 4 seater car the cost will be rs.10/- per kilometer, 7 seater innova will be rs.14/- whereas a 13 seater tempo traveller will cost rs.14/- per kilometer. The factor you need to observe here is that cost will be less if more people travel in a vehicle.
