Kidzee Frazer Town. Our pedagogy, iLLUME, is designed to help the child realize their unique abilities in a systematic, synergetic, and self-paced manner. Each child is endowed with a unique potential an infinite one. Recognition Appreciation is a wonderful thing. Have a look at the success and achievements of Asia's No. 1 preschool. Winner of Best Content and Delivery Award, Indian Education Congress in 2011. Through iLLUME, we help the children to discover their own individual learning style and achieve the desired learning outcomes, in sync with the high-level social, emotional, linguistic, and other developmental milestones.
