

PGDM Colleges in India

45th km, NH-209, Jakkasandra Post, Bangalore-Kanakapura Main Road

Join Best PGDM Colleges in Bengaluru, India which is the first B-school offered by JGI Group called Mats Institute of Management and Entrepreneurship (MIME). Founded in 2001, as the first business school by the Jain Group of Institutions (JGI Group), MATS Institute of Management & Entrepreneurship (MIME) is a place where new ideas, teaching excellence and opportunities converge. Today, MIME is consistently ranked among best B-Schools in South India from 2003 onwards. In a short span of 14 years, the alumni strength of MIME has grown to 1600. MIME alumni play a variety of roles in Industry from being Branch Managers, Business Analysts, Business Development Managers, Chief Operating Officers, Customer Relationship Managers, HR Executives, HR Associates, HR Managers, Image Managers, Marketing Managers, Project Directors, Regional Managers, Risk Managers to Vice- Presidents. Companies that have recruited MIME graduates have identified them as high-flyers and have provided them with special pathways for growth. At MIME, we believe passionately that your success as a business leader depends not just on what you know, but on how you apply what you know, how you collaborate with others, and how you operate within and beyond organisations. It is for this reason that real-world learning and leadership development are at the heart of our full-time PGDM programme. MIME consistently performs well in the major school and programme specific rankings, reinforcing our position as a top B School in South India. An intensive two-year PGDM programme that will challenge you to imagine, innovate and inspire and give you every opportunity to tailor its content through a wide choice of specializations, a personal and professional development programme so that your PGDM takes you where you want to go not just after your PGDM, but over the lifetime of your career. PGDM (Post Graduate Diploma in Management) is a diploma Graduation offered by the institutes that are recognized by the AICTE All India Council for Technical Education. AICTE allows colleges to run PGDM Course with the list of Specialization available for particular stream. Some of the Business Schools also offers PGDM Course. The Course helps to deal the mind set on contemporary management issues and strengthen student ability to manage complex national or international Business environments. The major plus of PGDM course is that the curriculum of PGDM is more flexible. It will get updated from time to time. The curriculum of PGDM is more industry-oriented and covers the soft skill aspects. In fact, PGDM makes you industry ready and prepares you for the market. PGDM course is for those who would like to specialize in their areas of interest, its more like having an in-depth knowledge. PGDM course will make the students ready for senior and complex roles in management and in fact, paves way for a brighter future in a career. If you are looking for a career in the demanding and challenging zones of management, then PGDM will be the best to step into. While choosing an institute for doing PGDM, one should

make sure that he chooses an institute with a good brand name. MIME is one such institute where the brand name talks. MIME (Mats Institute of Management and Entrepreneurship) is the first B-School of JGI Group. JGI is a reputed organization since 90s and today it represents a cluster of 85 educational institutions.
