Tourist HubIndia brings to you an exclusive Ecotourism journey to the only mangrove forest in India hidden at the delta of the Ganges, Brahmaputra and Meghna rivers on the Bay of Bengal, the home to the Royal Bengal Tiger, Sundarban. Sundarban tour from Kolkata is a quick gateway tour from the hustle bustle of the city. As the best reviewed Tour & travel operator in Kolkata, we have 2N 3 Days 100% budget friendly tour package which will include all the alluring spots of Sundarban holidays. Our cost of Sundarban tour package will include fooding lodging, boat fees, and sightseeing. The round tour will commence from Godkhali Ferry Ghat. We standby to provide our customers with the unmatched quality affordable Sundarban tour package rate. Now if you are wondering where Sundarban is or how to reach Sundarban, then dont worry as we have got that covered too. The Sundarban is one of the UNESCO World Heritage Sites located at the South eastern part of the 24 Parganas district, West Bengal. Sundarban is about 110 km away from Kolkata. Sundarban derived its name from the mangrove plant, Sundari, scientific name, Heritiera Minor. One of the best parts of the Sunderpan tour is traversing through the rural villages where you can learn the culture, the lifestyle of the place. Endless folktales and folklores surround the majestic jungle of Sundarban. The location is rich and flora and fauna but we aware of the predators lurking through the bare roots, or swimming through the shallow coastal saline or brackish water.
