45.8392329, 3.5016603

Sahyadri Hospitals is the largest chain of hospitals in Maharashtra. It is the brainchild of Dr. Charudutt Apte, one of India's most renowned Neurosurgeons and more importantly an ardent practitioner of ethical medical practices. It was his philosophy to make quality healthcare available, accessible, & accountable and not restrict as a privilege to the few, which still stands as the group's pivotal touchstone. Our Sahyadri hospitals are easy to reach due to their strategic locations in the cities of Pune, Nashik and Karad.
